

**MOTIVATED
TO MAKE
AN
IMPACT?**

**AT BAYER
YOU'RE
EXPECTED
TO BE.**

Bayer is a global enterprise with core competencies in the Life Science fields of health care and agriculture. Its products and services are designed to benefit people and improve their quality of life. At Bayer you have the opportunity to be part of a culture where we value the passion of our employees to innovate and give them the power to change.

International Trainee Program for Production Management 2017 (m/f)

YOUR TASKS AND RESPONSIBILITIES

During the 24-months program you will be given an insight into the entire production process at Bayer Animal Health, Consumer Health and associated functions. In detail:

- You will be assigned specific tasks and work on projects at our headquarters and various production sites of Animal Health and Consumer Health
- Assignments in Germany and abroad have a firm place in this program and offer you the opportunity to build networks in many functional areas
- Individual training modules will prepare you for a future management position
- Throughout the program you will be mentored by an experienced Bayer manager, who will help you to identify individual career prospects, will give you feedback on your performance and will agree on development measures with you

WHO YOU ARE

- You are an excellent Master graduate (m/f) of natural sciences or engineering studies
- You have gained first working experience (e.g. through internships) in production or production related areas
- You have gathered international experience, either from studies or internships abroad is highly desired
- You have the ambition to pursue for an international career in Product Supply or in the field of Operations including working abroad
- You think strategically and are prepared to take over responsibility
- You have the ability to build partnerships and work collaboratively with others to meet shared objectives
- You bring excellent communication skills (fluency in English, both written and spoken)

YOUR APPLICATION

If you are interested in gaining experience in a dynamic, innovative, and global company, we are looking forward to receiving your online application in **English** incl. motivation letter, CV, references and complete records from **March 30, 2017** until **May 11, 2017**.
